2nd TRANSNATIONAL MEETING – Spain

The 2nd Transnational Partner Meeting of the "Enabling Seafarers to Mutual Endorsement" (ENDORSEME) project was successfully held in Barcelona, Spain, with the generous hosting by UPC (Universitat Politècnica de Catalunya - Spain).

The meeting brought together partners from various countries, including Nikola Yonkov Vaptsarov University - Bulgaria, Maritime Innovators - Turkey, Munster Technological University - Ireland, Spinaker - Slovenia, Universitatea Maritimă din Constanța - Romania, and UPC - Spain.

During the event, we engaged in productive discussions about the Questionnaire, Good Practices, and National Requirements of the partner countries. We are confident that the ENDORSEME Tool will contribute to enhancing the transparency of seafarers' Certificates of Competency (COCs) on both the EU and global levels.
